

Volunteers are the heart and soul of our mission.
Therefore, Cradles to Crayons has taken the following measures to ensure a safe volunteer experience for all in The Giving Factory®.

PREPARING FOR YOUR VISIT

- **Pre-Register:** This allows us to communicate helpful reminders prior to your visit, and is required to volunteer.
- **Upon Arrival:** You will be asked to wait outside until your shift begins. Doors open 10 minutes before your start time.
- **Wear a Mask:** All volunteers must wear a mask for the duration of their shift. We will provide a disposable mask for you to wear if you do not have one.
- **Food & Drink:** No eating is allowed in The Giving Factory at this time and we are not providing water bottles. We encourage you to eat before your shift and bring a reusable water bottle (you may use our water station).

DURING YOUR VOLUNTEER SHIFT

- Masks are required for ALL volunteers 
- Everyone must use hand sanitizer before entering the building 
- Avoid areas marked "NO ENTRY" 
- Donations placed in containers located in front of The Giving Factory
- Socially distanced stations can be requested before volunteer visit 

THANK YOU!

Questions or concerns? Do not hesitate to email our Volunteer Engagement Coordinator at volunteerboston@cradlestocrayons.org.
